13.0 SAFETY

13.1 Safety Inspections

Every entry has the responsibility to ensure it is fully compliant with prescribed safety category in section 1.2. Any yacht found to be in contravention of required YNZ Safety Regulations shall be subject to protest from the Race Committee or Yachting New Zealand.

13.2 Responsibility of Person in Charge

The safety of a yacht and her crew is the sole and inescapable responsibility of the Skipper who must do their best to ensure that the yacht is fully found, thoroughly seaworthy. The Skipper must ensure that all safety equipment is properly maintained and stowed and that the crew knows where it is kept and how it is to be used.

Decision to race – The responsibility for a yacht's decision to participate in a race or to continue racing is hers alone – RRS Fundamental Rule 4.

All those taking part in the races do so entirely at their own risk and their own responsibility.

14.0 DISCLAIMER OF LIABILITY

14.1 The OA and sponsors are not responsible for the seaworthiness of a yacht whose entry is accepted or the sufficiency or adequacy of its equipment or crew, or for any other matter, however arising from this race.

14.2 The OA and its officers, members and servants, sponsors or other persons assisting with the conduct of the event will not be responsible or liable for material damage or personal injury or death sustained in conjunction with, prior to, during or after the race.

14.3 RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. **Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.**
